

Double Chocolate Fudge

It's really easy!

6 TBSP of butter

1 Jar of marshmallow cream

1 can of sweet and condensed milk

Microwave these for about 1-2 minutes depending on your microwave

Blend well....

Add one bag of Ghirardelli milk chocolate chips

Add 1/2 bag of Ghirardelli dark chocolate chips

Then add 1 tbsp. of vanilla (or Baileys)

I also add pecans

I put it in a lined 9x9 pan. I line it with parchment paper or...use the small scoop and scoop into mini muffin liners for individual servings.

Refrigerate for several hours. Store it in a air tight container!

Only cut it when you serve it.
